

# LINEA SCREENS by MODWERKS

## Finishes & Colors for Louver Panels

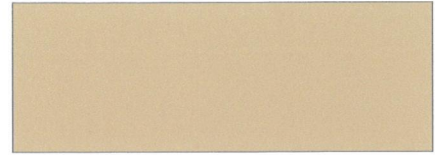

ModWerks offers 24 standard colors available in 70% KYNAR 500®/HYLAR 5000®, 50% KYNAR 500®/HYLAR 5000®, and Baked Enamel. These finishes demonstrate optimum durability, color retention and color uniformity. All finishes meet AAMA chalk, gloss and erosion specifications for weather and chemical exposure as well as dry film thickness requirements. Reference the back cover for finish type selection assistance.

In addition to the standard colors represented in this brochure, custom colors are easily matched.
